

Name: _____ Date: _____

This is the generic fallback version. It is only used when there was no time to build individual sheets after marking. The real version of this sheet has ONLY this student's own errors (3–6 items), never a shared list. Build the personalised sheet from the marked script before falling back to this one.

Your writing, fixed

For each item: read what you wrote, read the fix, then write a NEW sentence of your own using the same fix correctly.

1. REGISTER

What you wrote:

.....

Fix it:

.....

Rule: an informal email avoids "Dear Mr/Mrs" and "With kind regards" — use "Hi..." and "Take care" instead.

Your new sentence:

.....

2. ASKING A QUESTION BACK

What you wrote:

.....

Fix it:

.....

Rule: a reply always asks at least one question back — it's a real exchange, not a one-way message.

Your new sentence:

.....

3. CONTRACTIONS

What you wrote:

.....

Fix it:

.....

Rule: use "I'm", "I'll", "don't" throughout, not "I am", "I will", "do not".

Your new sentence:

.....

4. WORD COUNT

What you wrote:

.....

Fix it:

.....

Rule: "about 100 words" means roughly 90-110. Count before you hand it in.

Your new sentence:

.....

5. ANSWERING EVERY POINT IN THE TASK

What you wrote:

.....

Fix it:

.....

Rule: check every bullet point in the task prompt is answered before you finish.

Your new sentence:
