

TEACHER KEY — do not photocopy this page for students

Adapted from the official New Close-up B1 Unit 2 Assessment (National Geographic Learning / Cengage, permission granted to photocopy for classroom use), trimmed to 40 minutes for PET I's 25 Nov session. The writing task from the full 80-mark original is not included here — Unit 2's writing (SB p.26-27, the restaurant article) was written in class earlier this unit and marked separately, so testing writing again here would repeat that assessment rather than add to it. Two grammar sentences are localised to Valencia (the Albufera; the Turia gardens); the tested forms and correct answers are unchanged from the official key (160422_NCU3e_BrE_B1_EndofUnit_Tests_AnswerKey_AllUnits.pdf, End-of-Unit Test Unit 2).
