5 Your turn

1. **Open answers. Check present perfect form (have/has + past participle) and used to + -ing.**

Typical errors: present perfect with a finished time ('I have seen it last week'); present simple with since/for ('I live here since 2018'); 'used to + infinitive' after be/get ('used to drive' for 'used to driving'); confusing 'I used to drive' (past habit) with 'I am used to driving' (familiar).
