

FCE I · UNIT 3 · GRAMMAR P36**Teacher key: past simple and past perfect in stories**

Student sheet is one A4 sheet, double-sided.

1 Circle

1. **1 opened, felt, had failed**
2. **2 took, had missed**
3. **3 was, had been raining**

2 Complete

1. **1 left / had left (before)**
2. **2 stopped / had stopped (after)**
3. **3 had been working**
4. **4 had broken**
5. **5 saw, called (main events in order)**
6. **6 had forgotten**

3 Mistakes

1. **1 the bus had already left**
2. **2 and then she called the police**
3. **3 when the film began**
4. **4 After we had finished (or finished) dinner, we went**

4 Story

1. **Accept any sentence with a past perfect for the earlier cause, e.g. 'my brother had invited his friends'.**

Typical errors: past perfect for every event in a story; past simple for the earlier event ('the bus already left'); present perfect after *after* in a past story ('After we have finished'). Remember: events in order of telling use past simple.
