

FCE I · UNIT 5 · VOCABULARY P56

Revision: technology and compound nouns

About 15 minutes. Do it in pencil, then check with your teacher.

Compound nouns = two words working as one: *hard drive, headset, password*.

Collocations: *make a backup, access a website, upload photos, upgrade a phone, undo a mistake.*

1 Match each word with its definition.

- | | | |
|----------------------|--------------------------|---|
| 1 backup | ☐ | a something you wear over your ears, often with a microphone |
| 2 attachment | ☐ | b the part inside a computer where files are stored |
| 3 bookmark | ☐ | c a copy of your files in case you lose the originals |
| 4 headset | ☐ | d a secret mix of letters and symbols that lets you log in |
| 5 database | ☐ | e a saved link so you can find a website again quickly |
| 6 password | ☐ | f software that protects a computer from harmful programs |
| 7 anti-virus program | ☐ | g a large collection of information stored on a computer |
| 8 hard drive | ☐ | h a file sent together with an email |

2 Circle the correct option.

- Jordi's laptop is very slow, so he is thinking of (upgrading / undoing) it.
- Oh no, I deleted the wrong paragraph! Quick, (undo / display) it!
- You need a (password / headset) to log in to your school email.
- Daniel (bookmarked / browsed) the Mestalla ticket page so he could find it again easily.
- Before you open an email from a stranger, check the (attachment / backup) carefully. It may carry a virus.
- Only teachers can (access / bookmark) the school database.

3 Complete with a word from the box.

virtual reality · desktop · wireless · broadband · network · apps

1. Paula wore a headset to walk around an ancient Roman city in _____.
2. My grandmother's _____ computer is too big to take on the train.
3. There are no cables: the printer connects to the laptop by _____ technology.
4. Carlos plugs a cable into his router, and thanks to _____ technology he downloads a whole film in a few seconds.
5. All the computers in the Somerset office are connected in one _____, so we can share files.
6. I use language _____ on my phone to practise English on the metro.

4 Each sentence has one wrong word in bold. Write the correct word.

1. I always **do** a backup of my files before I go on holiday.

2. Laia wants to **download** her Fallas photos so that everyone can see them.

3. My phone is very old, so I am going to **upgrading** it.

4. Be careful with **virtually** reality. It can make you feel sick.

5 Your turn. Write two true sentences.

1. Use **browse**: what do you look for online in the evening?

2. Use **wireless** or **network**: describe the technology at your home or at the academy.
