

FCE I · UNIT 5 · VOCABULARY P56

Teacher key: technology and compound nouns

Student sheet is one A4 sheet, double-sided.

1 Match

1. **1 backup = c**
2. **2 attachment = h**
3. **3 bookmark = e**
4. **4 headset = a**
5. **5 database = g**
6. **6 password = d**
7. **7 anti-virus program = f**
8. **8 hard drive = b**

2 Circle

1. **upgrading**
2. **undo**
3. **password**
4. **bookmarked** (browsed does not fit: the aim is to find the page again)
5. **attachment**
6. **access**

3 Box

1. **virtual reality**
2. **desktop**
3. **wireless**
4. **broadband** (he uses a cable, so not wireless)
5. **network**
6. **apps**

4 Wrong word

1. **make** (a backup)
2. **upload**
3. **upgrade** (after *going to*, the infinitive)
4. **virtual** (adjective before the noun)

5 Own sentences

1. **Check: *browse* as a verb (browse the internet / websites); *wireless* or *network* used correctly as a noun or adjective.**

Spanish speakers say *do a backup* (hacer) and *download* for both directions: stress *make a backup*, upload (subir) v download (bajar). *Virtual* = adjective, *virtually* = adverb.
