

The Level Ladder: your results

What you already know, what you don't know yet, and when we will learn it

Remember: this was not an exam. It covered the whole year, so most of it we have not taught yet. Every mistake here is just a map of where we are going.

36

questions

Six in each part.

6

parts

One part for each unit
we will study this year.

1

unit so far

We're already partway
through Unit 1. Units 2
to 6 are still to come.

TODAY

1

Today, Unit 1

Present continuous for temporary states. Question 1: nobody got it. That is exactly what we practise today.

2

Every unit

When we reach a new unit, look back at its six questions. You will see them get easier.

3

June

We climb the ladder again and see how much higher you get.
