

The Level Ladder: your results

What you already know, what you don't know yet, and when we will learn it

Remember: this was not an exam. It covered the whole year, so most of it we have not taught yet. Getting a question wrong today just tells me where to spend our time.

How the Level Ladder worked

36

questions

Six in each part.

6

parts

One part for each unit we will study this year.

1

unit so far

We started Unit 1 today. Units 2 to 6 are still to come.

How the class did, unit by unit

THE WHOLE CLASS

Correct answers from all six of you together (36 per unit). Unit 1 is where we are now.

Unit 1 Jump for joy

NOW

75%

Unit 2 Global culture?

Nov to Dec

47%

Unit 3 Role models

Jan to Feb

53%

Unit 4 City living

So what happens now?

TODAY

1

Today, Unit 1

Present tenses and stative verbs. Question 1: only 3 of 6 got it. That is exactly what the next six Fridays are for.

2

Every unit

When we reach a new unit, look back at its six questions. You will see them get easier.

3

June

We climb the ladder again and see how much higher you get.
